

ERASMUS+ TRAINING COURSE

GUARDIANS OF THE MARKERS

15/08/2026 - 23/08/2026

OSIECK, POLAND

**Co-funded by
the European Union**

TRAINING INTRO

Seven days Erasmus+ training course focused on equipping participants with **practical skills in graphic facilitation, graphic recording and visual communication.** Through practical activities, participants will explore creative methods to enhance the use of visuals in education and youth work.

OBJECTIVES

Exploring graphic facilitation in education

To increase participants' understanding of how graphic facilitation can be applied within educational settings and learning processes.

Developing visual facilitation skills

To strengthen practical abilities in graphic facilitation and enhance participants' capacity to design visually attractive educational materials adaptable to different contexts.

Encouraging creativity and confidence in education

To empower participants to confidently use creative visual tools and approaches in their educational work.

Building international connections and cooperation

To support networking among organisations and youth workers from different countries, encourage the exchange of experiences and practices, and foster future international cooperation.

DISSEMINATION

Every involved organization will be asked to write (together with participants) **an article about the project** and present it on their websites or social media: the activities we've had, impressions they've got and what impact they are expecting after.

Within a month after the training course, every partner organization is expected to organize follow up **activities** on the topic of the training, led by participants.

IMPORTANT!

The reimbursement process will be done AFTER completing the dissemination phase.

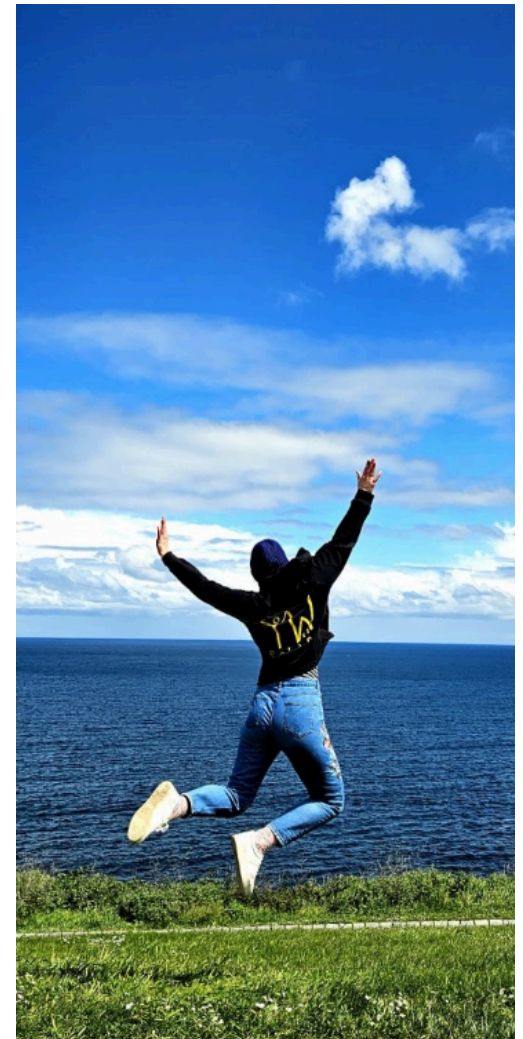

YOWO POLAND

YoWo Poland is a non-governmental organisation based in Poland, established in 2020.

We have got a lot of experience in youth work, but even more enthusiasm and motivation to create local and international youth projects. Our mission is to promote **active citizenship, volunteering, conscious lifestyle**, as well as to encourage young people to participate in **European mobility opportunities** through which they can experience **intercultural learning**.

During the project Amelia and Sylwia from **YoWo Team** will do their best to provide an awesome training experience for you!
